

## SPECIFICATION SHEET

### EWH 50 H

CODE : 42080250  
DP-0000275X

### EWH 80 H

CODE : 42080280  
DP-0000320X

- Vertical & Horizontal Installation
- Available in 50L and 80L
- EWH 50 H - 42080250
- EWH 80 H - 42080280
- Enamelled steel Tank
- Ceramic enamelled heating element
- Temperature thermostat. 30-75
- Pressure valve > 7.5 bar
- Maximum pressure: 0.75 Mpa
- Thermometer
- Security valve
- Earth leakage circuit breaker
- Overheat protection
- Anti dry heating protection
- Protection level against humidity IPx4
- Power: 1500W
- Average insulation thickness: 20mm

Manufacturer	TEKA-GERMANY
Model	UNIVERSAL WATER HEATER
Finish	STEEL
Article Code	42080250 / 42080280
